

MALGA aims to promote an interest in all things horticultural (including the associated health benefits). Membership is open to all allotment holders **and** all leisure gardeners however large or small their garden or window box.

We have a full programme of activities for members throughout the year including social events, such as pub nights, quiz nights, lunches and dinners, and barbeques (on the allotments); and visits to public gardens in our area.

In addition, we have a number of activities at which everyone is welcome. These include:

- Mulbarton Gardeners' Question Time
- Allotment Open Day
- Talks on a subject of horticultural or local interest (which in the past have included re-wilding, mole catching, bees and composting)

Within MALGA, we have an environmental working group that arrange a number of events each year. "*Mulbarton Environmental*" is our quarterly environmental newsletter. For your free electronic copy, see our Facebook page – click on "Files" to see this and all the other files we publish from time to time.

### Membership

If you would like to join, membership is presently a meagre £4 annually (yes annually, less than the cost of a pint of beer) and this includes your national membership too.

Your membership card gets you discounts at many local garden centres. (Gosh, if only all life's decisions were as easy as this one.)

Download a membership application form from our Facebook page.
